

MEMO

DATE: 11/30/94

TO: Geo. Matthias

SUBJECT: Summit Ave
Sunoco. Gu-4

Info checks out with file
with the exception of indicating that
a fuel oil tank leaked also. (They
found fuel ~~after~~ contamination after
sending in Application)

No results from T.T.T. 11/12/92, so it
could have been leaking & they fixed it.
